We are well into the Certificate of Need (CON) hearing process at the Mississippi Department of Health for St. Dominic's request to relocate 71 of its existing hospital beds into Madison County. Realizing how valuable your time is and how busy you are, we want to give you as much notice as possible regarding the final day when you may come and speak, or just be there to show support for St. Dominic's.

**THURSDAY, FEBRUARY 25, at 9 AM** will be the day and time for citizens to appear and show community support for St. Dominic's CON application. **Please be there by 8:30 as seats will be limited.** Please contact St. Dominic's Marketing Department at (601) 200-6905 or Jana Fuss at (601) 200-6985 if you have any questions. And, thanks again for your tremendous interest and show of support for improved healthcare for Madison County.
